

Join Bar Raising Fitness and D&S Lawn Care in the fight against breast cancer, by helping support our 6th Annual Pink Run N' Rally 5K and Event on October 17, 2026 in Dyersville! All proceeds from the event will be donated to the Avery Foundation, out of Dubuque, and will be used to assist breast cancer patients with expenses like food, travel, and lodging as they battle through their treatments. Over the past five years we had over 1,500 participants and have raised over \$58,000. We are striving to add to that again this year! Following the 5K race we will have live music, food, and drinks, making it a great day for our community to come together. Your sponsorship will help support this event.
